Dan,

I would like to take a few minutes to express my thanks to you regarding the efforts Kara put forth during the purchase of our recent house. The house we purchased was through a short sale which I'm sure you are aware of can be a lengthy and frustrating process.

Due to Kara's persistence and continued follow-up with the owner's lender we were finally able to purchase the house we wanted. My wife and I truly feel that without Kara's continued calls and e-mails to the lender that this process would still be going on today.

Knowing the amount of time Kara put into the sale and purchase of this house I felt it important to let you know how appreciative we are of her professionalism and efforts.

Regards,

Ben & Staci Matiyow
